Connect to [Academic Medicine](#) by clicking on the link; you will need to authenticate. You must be registered in the library's patron database to authenticate.

Enter your last name and your first name (if you name is unique, you can abbreviate your first name)

Enter your patron barcode. The directions say '9-digit (or 8-digit) personal ID.' However, you may ask a circulation staff person to add a new (or second) ID to your record that will be shorter and easier to remember --- your Banner ID, for example,

Password is required to view this page

For example: Smith, Jane

Last name, First name:

E.g.: 20000<+ 9-digit personal ID> or 216007<+ 8-digit NEOUCOM ID>

Your barcode (14 digits):

Click on SUBMIT and you will be taken to [Academic Medicine](#).

You will be directed to this page... the Table of Contents for [Academic Medicine](#).

The screenshot shows the OvidSP search interface. At the top, there are navigation links for 'Current Search Results', 'Main Search Page', 'Change Database', 'Ask a Librarian', 'Support & Training', 'Help', and 'Logoff'. Below these are links for 'Email Jumpstart', 'Manage eTOC Subscriptions', and 'PayPerView Account'. The main heading is 'Table of Contents'. Below this is a search form with fields for 'Title', 'Author', 'Year', 'Volume', 'Issue', and 'Page', along with a 'This Issue' dropdown menu and a 'Search' button. Below the search form is the 'Results Manager' panel, which includes sections for 'Results' (Selected Results, All in this set), 'Fields' (Citation, Citation + Abstract, etc.), 'Result Format' (Ovid, BRS/Tagged, etc.), and 'Actions' (Display, Print Preview, Email, Save).

Find the volume/issue you need (you will have to scroll down the page to view the Table of Contents).

The screenshot shows the 'Journal Issue List' on the left, listing issues from 2009. The issue 'Volume 84 (5)' for May 2009 is highlighted with a red box. On the right, the search results for 'More About Prospective Health Care' are displayed, showing three entries with their respective page numbers, DOIs, and authors. Each entry includes options for 'PDF Full Text' and '+ Annotate', along with a sidebar of actions like 'Complete Reference', 'Ovid Full Text', 'Request Permissions', and 'OLinks'.
