- Interest** - My preceptor took an active interest in me and my learning experience. My preceptor spent quality time with me throughout the experience and was available for me when I sought help or advice.
  - Communication** - My preceptor openly and honestly communicated with me throughout the experience regarding expectations, policies, procedures and responsibilities. He or she provided me with constructive criticism and did so in a supportive, non-demeaning manner. He or she recognized me for jobs well done.
  - Enthusiasm** - My preceptor demonstrated genuine enthusiasm for the pharmacy profession. He or she was current on new trends and directions for pharmacy. He or she motivated me to do my best and encouraged me in my professional growth.
  - Professionalism** - My preceptor exhibited professionalism in all interactions including those with myself, other colleagues, and patients. He or she practiced within ethical boundaries and demonstrated honesty and integrity in all actions. To the best of my understanding, the site was in compliance with all pharmacy laws and regulations.
  - Teaching** - My preceptor had the knowledge to teach me the necessary skills pertinent to the site. He or she guided me when necessary, but also allowed me to make decisions based upon my level of knowledge. My preceptor instructed me in all aspects of the site as they related to the established goals and objectives. He or she was sufficiently organized and prepared to instruct me and provided me with meaningful activities and/or assignments.
  - Training and Resources** - The site provided adequate space for training as well as resources and reference material. I felt that there was an appropriate level and quantity of training activities, and that the training was relevant to the PPCE.
